

Revenue for the first quarter of 2026: €81 million (+3.2%)

- ▶ Continued growth momentum in the business: +3.2% vs. Q1 2025
- ▶ Revenues illustrating the Group's resilience in a context of geopolitical tensions

Saint-Jean-de-Soudain, April 23, 2026, 5:45 p.m. CEST – SergeFerrari Group (FR0011950682 – SEFER), one of the world leaders in innovative composite materials, listed on Euronext Paris – Compartment C, today announces its revenue for the 1st quarter of 2026.

Sébastien Baril, Chairman of the SergeFerrari Group's Executive Board, stated: *"The first quarter of 2026 is in line with the trend of recent months with revenue growth of +2.6% (+3.2% at constant scope and exchange rates). This performance, achieved in a turbulent and fragmented international environment, illustrates our historical and strategic positioning in our markets as well as the increased agility achieved in 2024 and 2025. In the current context, we remain very attentive to changes in commodity prices and their availability, in order to address them to maintain our business momentum."*

Breakdown of sales by geographic area (unaudited)

(€ thousands)	1 st quarter 2026	1 st quarter 2025	Ch. at current scope and exchanges rates	Ch. at constant scope and exchanges rates
Europe	63,029	59,522	5.9%	5.8%
Americas	7,435	8,420	-11.7%	-5.2%
Asia – Africa – Pacific	10,739	11,231	-4.4%	-4.3%
Total revenue	81,203	79,173	2.6%	3.2%

The Group recorded revenue of €81.2 million in the 1st quarter of 2026, up 2.6% at current scope and exchange rates compared to the corresponding period of the previous year and up 3.2% at constant scope and exchange rates.

The change in sales is mainly due to a dynamic mix/price effect of +9.6%, positively illustrating the results of the group's policy aimed at addressing higher value-added markets and products as a priority.

Volumes fell by -5.1%. The currency effect was -0.6% in this quarter.

Geographically, Europe recorded solid growth (+5.9% based on reported figures), benefiting from resilient historical markets, the recovery of Tendue Architecture projects and the good performance of the new Solutions activities. In the Americas, activity was down (-11.7% on a reported basis), penalised by a strongly unfavourable base effect. The Asia-Africa-Pacific region posted a slight contraction (-4.4% based on reported figures), mainly due to the context in the Middle East, which delayed part of its activity.

Outlook

In the coming quarters, SergeFerrari Group will continue its efforts to optimize its industrial base, initiated in 2024, to strengthen its agility and consolidate its profitable growth trajectory.
